

A GUEST SAFARI · WITH LOVE FROM SEBASTIAN & NASHIPAI

Sol y Savanna

Stay a little longer — the Kenyan wild awaits

We're so glad you're joining us.

After the celebration, we'd love for you to stay on for a few unforgettable days on the Kenyan savanna — golden plains and big skies, close encounters with giraffes and elephants, warm evenings around the fire, and precious time together before we all head home. We've taken care of the logistics so you can simply relax and soak it all in.

Voi Wildlife Lodge

your home in the bush

THE JOURNEY

Five days, one *horizon*

From the edge of Nairobi to the red-earth plains of Tsavo — here's how the days unfold. Everything below is arranged for you; just bring your sense of wonder.

● MON 14 DEC · DAY 1

Arrive in Nairobi

Settle in, then hand-feed giraffes at the Giraffe Centre and share a first dinner together in the city.

● TUE 15 DEC · DAY 2

Nairobi Park & into Tsavo

A dawn game drive and breakfast in the bush, then we journey south to Voi Wildlife Lodge.

● WED 16 DEC · DAY 3

Settle into the wild

A morning drive, an afternoon to unwind by the pool and waterhole, and a sunset sundowner.

● THU 17 DEC · DAY 4

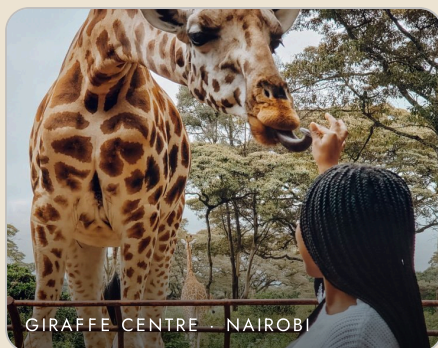

Big game & community

Our biggest game drive, an afternoon with the local community, and a farewell dinner by the firepit.

● FRI 18 DEC · DAY 5

Homeward

A relaxed breakfast, then the scenic drive back to Nairobi and warm goodbyes.

DAY 1

A morning with giraffes

Meet the endangered Rothschild's giraffe eye to eye at the Giraffe Centre — feed them from a raised platform, feel their gentle nudge, and start the trip with a moment you'll never forget.

DAYS 2–4

Into Tsavo, on the red earth

One of Africa's great wildernesses, Tsavo is famous for its dust-red elephants and endless plains. Your home here is Voi Wildlife Lodge — a relaxed base with a pool and a waterhole where the animals come to you.

EVERY DAY

Game drives at golden hour

Set out in an open 4x4 with an expert guide as the light turns gold. Lions, elephants, buffalo, zebra and giraffe against enormous skies — and a bush breakfast served among it all.

DAY 4

Meeting the community

Spend an afternoon with a local community near Tsavo — a warm, genuine welcome, a shared meal, and the chance to pick up handmade beadwork and keepsakes to carry the day home with you.

EVERY EVENING

Evenings under the stars

As the sun drops, gather for a sundowner with the savanna glowing around you. On our last night, we'll circle the firepit for a farewell dinner, drinks and s'mores beneath a sky full of stars.
